

Reserved Invitation: Get to Know the Second Series of Vending Machines in Depth

Introduction

For those who have already secured their production reservation for 2026

If you've already reserved your production slot for the third series of machines in March 2026, we invite you to participate in **a private and early meeting**, specially designed for those who are betting on this innovation.

You are part of the next generation of innovators, and we want to tell you **before anyone** else all the details of the second series of machines that is already underway.

Benefit for buyers with production reservations in March 2026

If you're interested in joining this innovation, we invite you to an exclusive meeting where we will share all the details of the second series of vending machines that we will launch this year.

What will you learn?

How Series One (October 2025) and Series Two (December 2025) were successful

What improvements and new features are included in the Second Series

Purchase methods and exclusive benefits

Real use cases, concrete results, and experiences from the first buyers

First Meeting: We Activate the Path to Your Machine

Date: [first week of January 2026]

Duration: 45 minutes

Format: Online (Zoom / Google Meet)

In this session we will:

Share the project's progress

Tell you what's coming in the March 2026 series

Listen to your expectations

Answer your questions

And begin working together on everything that will make your delivery a success

Because **activating the path** means **getting involved, informed**, and prepared to get the most value from day one.

Are you ready to start turning your reservation into a real and profitable project?

Do you want to get a closer look at how we've been preparing the series that will define the next step in this innovation?

Reserve your machine today and secure your spot!
